INBOUND MISSION

ON DECEMBER 5, CONNECT WITH TURKISH BUSINESSES AT THE TURKEY–CANADA BUSINESS FORUM

Join us for a program of presentations, networking and B2B meetings focused on opportunities for Toronto region businesses to collaborate with 25 Turkish companies and export associations. Learn how you can do business in the largest and most important market for Canadian exporters in the Eastern Mediterranean region.

WHY TURKEY?

- ✓ The fifth largest export and import market for the European Union – in customs union with the EU since 1996
- ✓ One of the highest GDP growth rates among OECD countries
- ✓ The largest manufacturer of motor vehicles, televisions and household appliances in Europe
- ✓ The sixth largest economy in Europe and sixteenth in the world

WHO SHOULD JOIN US

SMEs interested in learning about two-way trade with Turkey, and networking and B2B opportunities with Turkish businesses.

-  For the delegate profiles of companies in the agriculture sector, click [here](#).
-  For the delegate profiles of companies in other sectors – including food and beverage, automotive and software – click [here](#).
