LEARN ABOUT SCOTLAND, CETA AND THE POST-BREXIT ECONOMY WITH SCOTTISH CABINET SECRETARY, KEITH BROWN MSP

Scotland's minister for the economy, trade and investment will speak to the Toronto Region Board of Trade about the trade and investment climate in Scotland, the impacts of Brexit and CETA, and the potential for greater collaboration between Scottish and Toronto region organizations.

WHY SCOTLAND?

With the highest concentration of universities in Europe and one of the world's most highly educated workforces, Scotland is among Europe's most attractive markets for international trade and investment.

Home to Europe's 4th largest financial centre, the fastest growing tech hub in the UK, and the centre of the European energy industry.

Canadian investors into Scotland include CGI, RBC, BMO, Vector, Nexen, Suncor and CNR – while Scottish exports to Canada exceed \$750 million a year and growing.

This is a great opportunity to connect with Scotland's Toronto-based trade and investment team and learn about doing business with Scotland.
