

# JOIN OUR UK EDUCATIONAL TECHNOLOGY INBOUND MISSION

## PRESENTATIONS & B2B MEETINGS

World Trade Centre Toronto is working in partnership with the City of Toronto and London & Partners to host a day of programming with 13 United Kingdom-based education tech and organizational behavior firms, focused on bringing cutting edge learning and development solutions to education and enterprise organizations here in the Toronto region.

## WHO WILL BE THERE

A delegation of 13 technology companies in fields such as:

- Educational/Training Software
- Virtual Learning Environments
- Diagnostic Tools
- Organizational Behaviour
- Agile Workplace Solutions

## WHO SHOULD JOIN US

This inbound mission is ideal for:

- Teachers/Educators
- School Boards
- Post-Secondary Institutions
- Educational Publishers
- Training Providers
- HR Professionals
- Financial/Professional Services Firms
